

# 1900 WEST SEWER UPGRADE PROJECT

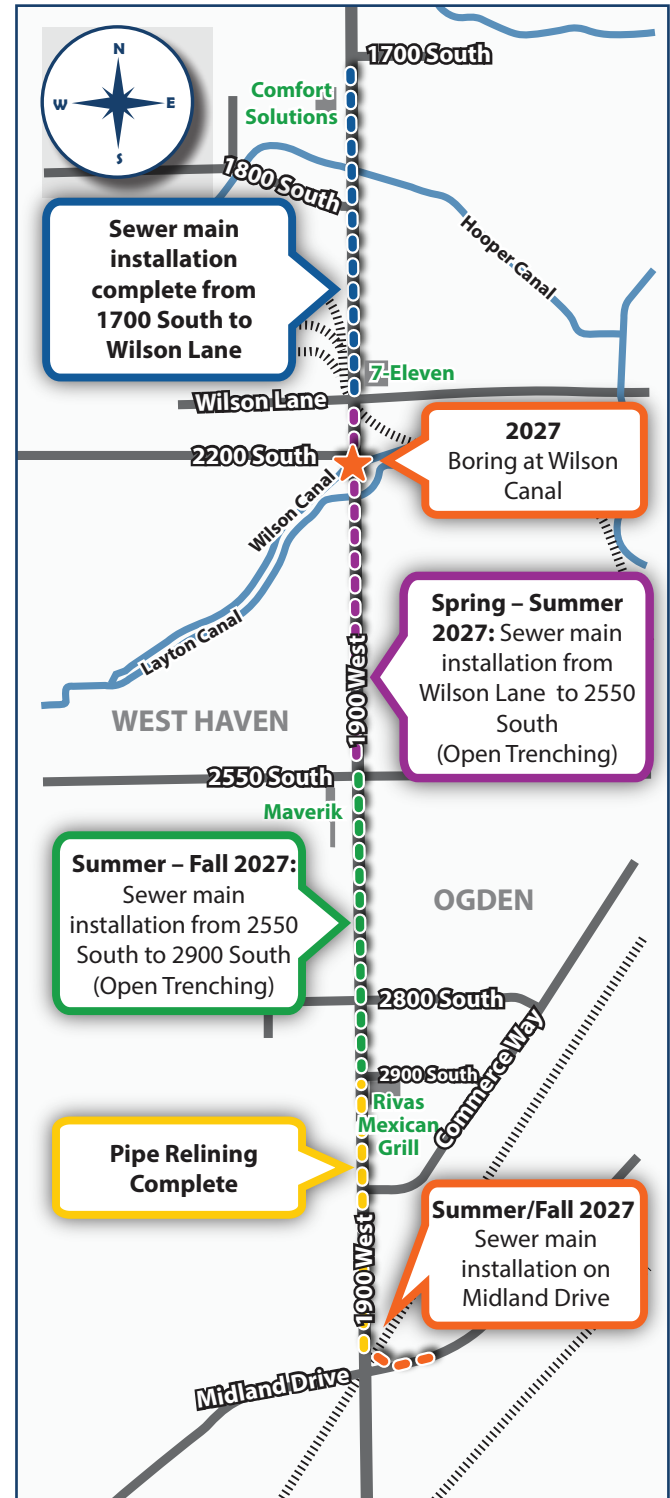

OCTOBER 2026

The Central Weber Sewer Improvement District continues sewer line upgrades along 1900 West in West Haven/Ogden between approximately 1700 South (Comfort Solutions) and Midland Drive. The project will rehabilitate a section of existing pipe on the southern end and remove and replace existing sewer manholes and pipes and install upsized pipes in the remainder to meet current and future wastewater/sewer collection needs. Project completion is expected by fall 2027.

## TENTATIVE SCHEDULE

\*Schedules are subject to change due to weather conditions, equipment/supply issues and other unforeseen circumstances.

- **Spring – Summer 2027:** Sewer main installation (Wilson Lane - 2550 South), open trenching
- **Summer – Fall 2027:** Sewer main installation (2550 South to 2900 South), open trenching
- **2027:** Bore under Wilson Canal at 2200 South
- **Summer/Fall 2027:** Sewer main installation (Midland Drive), open trenching
- **Fall 2027:** Project completion
